*There is a tide in the affairs of men
Which, taken at the flood, leads on to fortune;
Omitted, all the voyage of their life
Is bound in shallows, and in miseries.
On such a full sea are we now afloat;
And we must take the current when it serves,
Or lose our ventures.*

Senior Class History

CLASS MOTTO

"Your life is what your thoughts make it."

That inexperienced group of youngsters who, with bowed heads, entered the portal gates on September 7, 1928, scarcely resembles the mighty Senior Class which is about to pass on forever from our "Home on the Hill."

Many unforgettable experiences have taken place during our last year in M. H. S. In our Sophomore year we were given a welcoming reception by the Seniors. In our Junior year we most successfully entertained the class of 1930 with a Junior-Senior Reception held in the high school cafeteria. Parties during this year helped to make our time more enjoyable.

And our Senior Year!!!!

On January 23, 1931, we sponsored a "Hard Times" dance at the Betsey Mills Club. This was one of the most enjoyable events of all. There were also many parties and picnics near the close of the year.

Many of our members have taken an active interest in organizations, such as Debate, Honor Society, Band, Orchestra, Dramatics, Boosters, etc. The Seniors have contributed their share in the way of good athletes also.

Of the 185 students who entered the class in "28," 129 will graduate this June.

To the remaining classes of Marietta High, we wish success in abundance.

As we Seniors depart from this High School, before we look too anxiously into the future, we turn on the threshold to say "good-by" to familiar days and scenes.

We can only say to our under-classmates—"Good-by and Good-luck," and to Marietta High School, sorrowfully and yet hopefully—"Farewell."

Senior Class Will

We, the class of 1931, feeling that we are in some measure possessed of a sound mind and unfailing memory, and are at peace with all the world, do hereby donate, devise, and bequeath to those who may not be so fortunate, all our beauties, graces, privileges, dignities, secrets, and possessions, in the manner enumerated below:—

FIRST—To the Teachers we leave the joy of the long summer months to recover from the shock of our departure.

SECOND—To the class of 1932 we leave all the hopes and ideals that we have lost during the last year, and we instruct them as to the upholding of our bright and shining reputation, so as to be an inspiration to the underclassmen; even as we have been.

THIRD—To the Sophomores we leave all of our old passes in the hope that they will be of as much value to them as they have been to us.

FOURTH—To Junior High we leave the anticipation of tests to come and also of all the subjects yet to be tackled. (Especially Chemistry.)

FIFTH—To the school at large we yield our loyalty that is unconquerable; our beauty and graces, which are enviable; our chivalrous and winsome ways; the inspiration for our deeds; and the far-spreading and ever-lasting fame that we have centered upon M. H. S. through our great multitude of geniuses.

SIXTH—We give and bequeath to our beloved superintendent and to our principal, our deepest reverence, our sincere affection, our heartiest gratitude, and the whole unlimited wealth of our memory.

Whereas, we, the Class of 1931, are not given to egotism, flattery, or boasting;

Whereas, we firmly believe that we are the best class that ever graduated from this venerable institution;

Lastly, although we are reluctant to leave, we know that the future holds forth still greater opportunities and fields for the development of our great store of talents. We hereby appoint the Faculty as executors of this, our last will and testament, hereby revoking all former wills by us made.

(Signed) CLASS OF 1931.

Junior Letter

Dear Classmates:

As President of the Junior Class of Marietta High, I wish to take this opportunity to express my sincere appreciation for the cooperation you have given me.

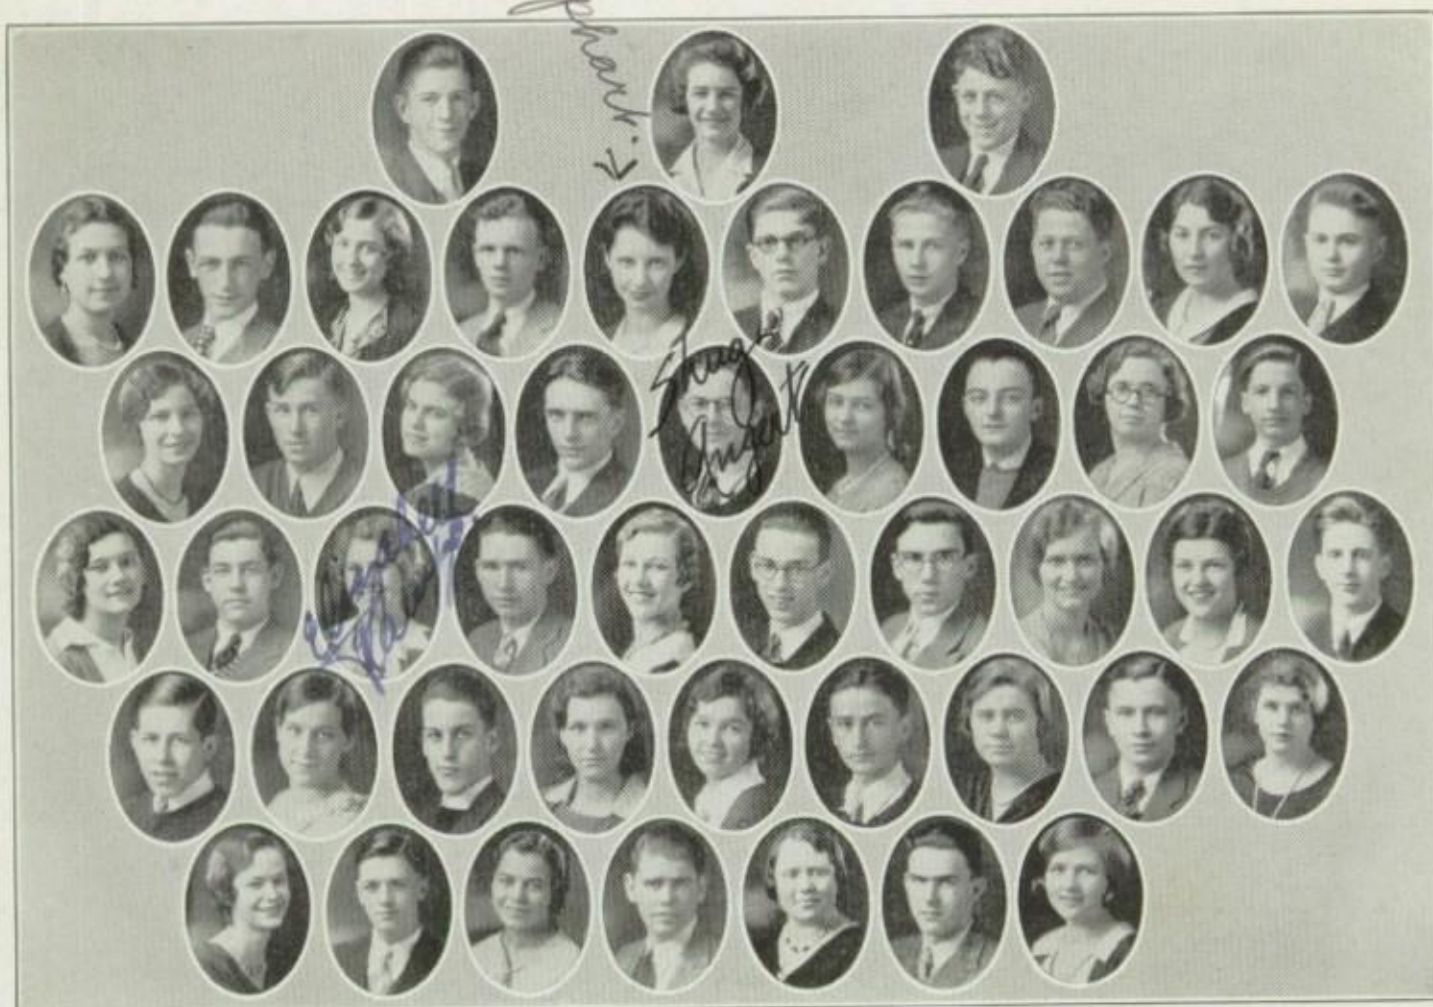

I wish also to commend you for your loyalty to the school, and to the undertakings of the different organizations. You have shown yourself capable of supporting any project undertaken by the faculty or our Principal, Mr. Bates.

Towards the beginning of the year, the dignified Juniors scurried around and entertained with the Junior-Faculty reception, and this event went off with a "bang." Again the Juniors were hosts to the school at the Junior dance. The Juniors came to the front again by the sponsoring of the show, "Maybe It's Love," which was an affair well worth while.

The Junior Class has taken a great interest in school affairs, being highly represented in every enterprise. To the football team, we contribute many players. In musical activities, the band, orchestra, glee club, and chorus we have our share. Last but not least comes debate, which claims six Juniors, as does also the Original staff.

In a general way, all the members of the class have shown a genuine school spirit, and my earnest wish is that next year you will serve as zealously your school and president.

CHALLEN NIKOLAUS.

Sophomore Letter

Dear Classmates:

At this time I wish to take the opportunity to thank you for the splendid cooperation and support you have given me throughout the year.

The leadership displayed by the Sophomore Aldermen of the Student Council shows the spirit of the Sophomore Class.

I earnestly wish that the class may stick together as a group for two more years, so as to make the class of '33 the largest and best class ever to graduate from M. H. S.

Your President,

ROBERT McCARTHY.

Advisor	Mr. Slusser

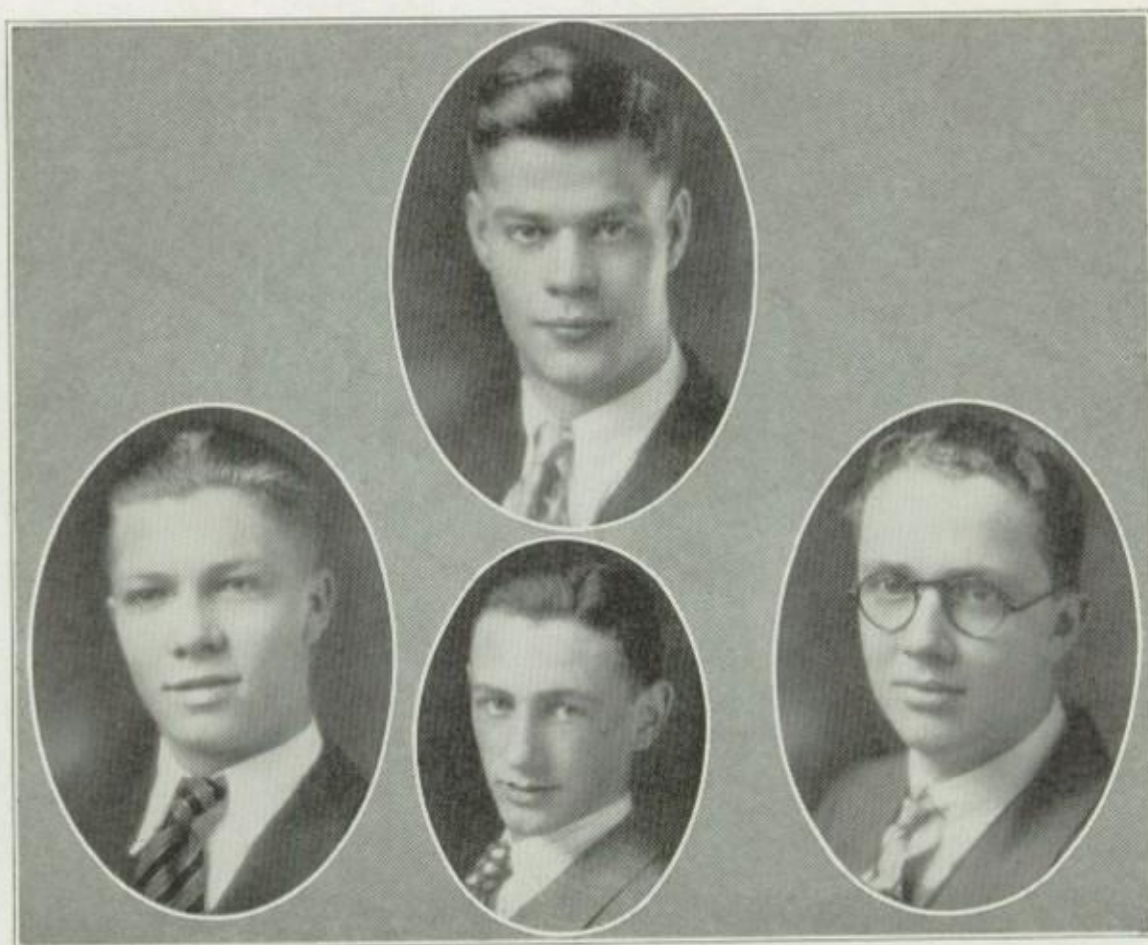

Pin: Skull and Crossbones.

Purpose: To create greater interests in the field of Chemistry.

The Chemistry Club is a new club in M. H. S. having been formed the early part of this school year. It has had frequent meetings at which outside speakers spoke on scientific subjects. The club, in cooperation with the chemistry classes, has formed a large collection of exhibits from many manufacturing concerns all over the country. The club has also contributed largely to all school activities.

Hi-Y

The Pin: A white cross, standing for purity, surrounded by a red triangle signifying red-blooded service and growth in body, mind, and spirit.

The Purpose: To create, maintain, and extend throughout the school and the community high standards of Christian character.

The Planks, to which the members have pledged themselves: Clean Speech, Clean Sports, Clean Habits, and Clean Scholarship.

This year the club has accomplished many things to make itself useful to the school and the community. Members of the club have continued to conduct a second-hand book store for the students and have printed schedules and programs for football and basketball games.

The club has visited several Hi-Y Clubs in neighboring towns and has helped to create a greater interest in the work and purpose of other clubs.

Various speakers have addressed the club on a variety of interesting and vital subjects, and a joint meeting in the form of a Christmas party was held with the Senior Girl Reserves. The club has sent representatives to several of the state conventions and contributed heartily to all of the school activities.

Much has been accomplished due to the efforts of the Y. M. C. A. advisor, Mr. R. T. Veal.

The club also conducted a church service at the M. E. Church, and founded a Junior Hi-Y Club.

Motto: Strive to do well, do the best possible, and rejoice if another can do better.

Pledge: To serve God and humanity with my heart, and mind, and strength; to honor my parents and be a credit to them at all times; to be kind, courteous, and unselfish; to be more tolerant of the faults of others than my own; to be strong, clean, and alert in mind and body; to be honest, truthful, and dependable; to be ambitious but not envious.

This is a new club which has been organized this year under the supervision of Miss Eliza Jane Carothers.

The club meets the second and fourth Mondays of every month. Very interesting and helpful talks have been given to the members of the club by various speakers. Discussion plays a large part in the meetings. Many enjoyable parties have been held several times at the club. At Christmas time a joint party with the Hi-Y was very successful.

Purpose: To stimulate interest and scholarship in the French language through the publication of "Le Cercle Journal," presentation of French plays, French songs and folk dances.

The French Club has been very active this year. French Christmas cards were sent to each member at the holiday season. The Christmas party and the St. Patrick's banquet were two of the out-standing social activities. A most interesting talk about France was given by Miss Strecker at one of the meetings. Several plays have been skillfully presented: "Cendrillon," "Rosalie," and "La Faute d'Oncle Dick."

Honor Society

Student government, the aim of the Honor Society for the last two years, having at least been instituted at M. H. S., the Marietta chapter branched out into another field of service. She attempted to fulfill another of her planks, SCHOLARSHIP, by trying to reduce the number of names on the failing list and increase the number on the Honor Roll.

The year was begun with the following members:

President	Helen Schramm
Vice President	Dorothy Bishop
Secretary-Treasurer	Violet Caskin
Corresponding Secretary	Dorothy Zimmer
	Charles Gramlich

At an Honor Society assembly at the beginning of the second semester, the following Senior members were initiated:

Richard Baumgardner	Edward Metcalf	Kathleen Ward
Mary Gertrude Braunlich	Franklin Newcomer	Mary Wigginton
Elizabeth Clark	Delbert Reynolds	Marian Ziegler
Carol Fenton	Virginia Schramm	Blanche Zimmer
Clinton Hootsel	Marcia Suder	

During the first semester, the faculty advisor was Miss Edna Tefft, but at the end of that time she left M. H. S. to take up work at Ohio University, and her place has been ably filled by Miss Thelma Geiger.

FACULTY ADVISORS

Twenty-six years ago a little band of aspiring journalists gathered to publish a tiny paper for the student body of M. H. S. This year, as every year, the paper has been carried on—the Marietta High School *Original*.

With Helen Schramm as Editor and Eugene Schramm as Business Manager, the *Original* has been published regularly, as a bi-weekly the first semester and as a weekly issue the second. One extra was issued—the day after the Parkersburg game.

At the beginning of the second semester a new plan was put into effect by order of the Student Council, whereby every student receives a copy of the paper, the expense being borne by the classes. This is the first time in the history of M. H. S. that the subsidization plan has been used.

Prospects for next year are bright. With the *Original* on a firm financial basis and most of the present staff remaining to carry on the work, the 1931-32 *Original* should be a prize-winner. To its Editor and Staff, those who will serve it no more say "Good-bye, and the best of luck!"

Adam and Eva

"Adam and Eva," a three-act comedy by Guy Bolton and George Middleton, was chosen for the Orange Masque's big play this year. This play is characteristically an American comedy. It was presented on April 20 at the Hippodrome Theater before a large crowd, and was judged one of the finest productions the club has ever given. Much credit and praise should go both to the cast and to Miss Reader and Miss Geiger, the coaches.

Members of the cast were:

Debate Squad

1930-31

The 1930-1931 debate team completed a successful season. The teams competed in twenty debates—on two questions. The Ohio State Debating League debated the question "Resolved that the chain store system is detrimental to the best interests of the United States." In this league Marietta won second place in her division, comprising seven schools in Southeastern Ohio. In addition, independent debates were scheduled with Athens, Gallipolis, Chesterhill, Pennsville, Coshocton, and Westerville.

In the newly organized triangular league, of Marietta, Zanesville, and Cambridge, Marietta won first place and another beautiful cup for our trophy case. Another high spot of the season was the holding of the first high school debate in Ohio under the Oregon plan of debate in the Gallipolis debate at Marietta on March 13. In addition, the Marietta negative team composed of Franklin Newcomer, Dorothy Bishop, and Marcus Ginsburg, set a new high mark for undefeated teams. They competed in eight debates, two of them non-decision and six decision debates, winning all of them for a perfect record for the season.

During the season twenty different speakers were used. There is an abundance of good material for next year.

The teams were coached by Miss Rhodes, Mr. E. C. Siegfried, and Mr. A. E. Rupp. Mr. Rupp also conducted a special class in Debate.

National Forensic League

Marietta, Ohio

Chapter No. 249

OFFICERS

President	Dorothy Bishop
Vice-President	Chris Best
Secretary-Treasurer	Marcus Ginsburg

The National Forensic League was the second national organization to be installed in Marietta High School.

The Forensic League now has over four hundred chapters in all parts of the United States. Qualifications for membership are that a speaker take part in one winning debate or two non-decision debates.

At the present time the Marietta Chapter is believed to be the leading chapter in Ohio in number of debaters eligible for membership. Marcus Ginsburg ranks very high in number of points as he has participated in over twenty debates.

Two outstanding debaters are lost to the team by graduation—Dorothy Bishop and Charles Gramlich. They have been active in debate for the past three years and have made excellent records in the Forensic League.

Student Council

The Student Council of Marietta High School was organized in the fall of 1930 with purposes of close cooperation with the school administration, promotion of general welfare and the creation and maintenance of good citizenship and loyalty as the main objectives. A school year of general progress and accomplishment indicates that the objectives have been at least approached.

Under the leadership of Miss Josephine Weber as President, the 1930-31 Council has been influential in bringing about the introduction of German into the curriculum. It has placed the Original on a sound financial foundation by providing for subsidization by the various classes. Weekly assemblies have been made possible through the Council. Hosts of minor matters that have led to a "Better Marietta High" have been settled by the Council during the year.

Council members are elected by the class they represent. The twelfth grade has six elected members, the eleventh has five, etc.

The presidents of the classes are members of the Council by virtue of their office.

Future Farmers of America

The Marietta Chapter of Future Farmers of America is in its third year as a member of the national organization. The purposes of the organization are to create and nurture a love of country life, to encourage educational and recreational activities for students of vocational agriculture, to promote thrift, to encourage cooperative effort among the students, to strengthen the confidence of the farmer boy in himself and his work, to promote scholarship, and to develop rural leadership.

There are four degrees in the chapter. They are: Green Hand, Future Farmer, State Farmer, and American. Galen McPherson and Homer Smith have been honored by the state chapter with the State Farmer degree. This honor was given for community and farm activities.

Marietta Chapter has a long-time program of work for the mutual benefit of themselves and their community. Some of the projects are: To hold a Parent and Son Banquet, to sponsor trips to the State University and Experiment Stations, a seed-corn testing program, and a potato production program.

The chapter purchased twenty-one hundred (2,100) bushels of seed potatoes this year and is continuing its potato spraying.

Last year, courses in Public Speaking were offered for the first time in Marietta High School. Those enrolled in these classes organized the Speak-Easy Club in order that greater interest in the various speech activities might be aroused.

Besides staging a two-act play, members of the club have participated in debating, Orange Masque productions, operetta, and they assisted the "M" Association in the carnival.

This year the club gave two one-act plays.

Olympian Council

The Olympian Council, or Caesar Club, of Marietta High, held its first meeting and initiation on the last Wednesday of September. The committee in charge was comprised of: Albert Townsend, President; Betty Milbaugh, Ruth Meister, Margaret Schramm, Russell Hyde, and James Bergen. The initiation was held in the Little Auditorium and proved very exciting. About thirty-six students were initiated at that time.

The officers for the first semester were: Albert Townsend, President; Willa Myers, Vice President; Marjorie Stephens, Secretary; and Denver Davis, Treasurer.

In January the Olympian Council held a party in the Band Room. This was a very enjoyable evening with games and dancing. Dick Bergen's Orchestra furnished the music for the occasion.

The Traffic Squad

This year the Traffic Squad was small but efficient. They gave very faithful service not only during the school days but also at ball games and at the Eastern Ohio Teachers' Convention which was held here in the fall. Gardner Derr, Captain, and Lawrence Young, Lieutenant, held these positions all year. It is difficult to accurately measure the service rendered by such an organization, but since there were no serious accidents we feel that much credit is due the work of these boys.

Although all the boys in the above photograph received credit, several other boys who gave faithful service were: Robert Neil, Paul Dearth, and Jack Leidecker.

The boys who received credit for one or both semesters were as follows: Gardner Derr, Lawrence Young, Gordon Spies, Bernard Athey, Warren Souers, Dean Brooks, and Jimmie Willis.

The Traffic Squad wishes to take advantage of this opportunity to thank the students for their fine cooperation.

The Music Department

Marietta High School has a music department of which she can be justly proud. Our Band, Junior and Senior High Orchestras, Girls' Glee Club, and Chorus are well known to the students and townspeople of Marietta. Much praise is due Miss Morgan, Mr. Siegler, and Mr. Cooper.

Due largely to the efforts of Mr. Cooper, our Band has had a very successful year. A number of its members went to Columbus last fall to play in the State Fair Band. The entire band went to Columbus on January 12 to play for the inauguration of Governor White. This trip was made by means of a special train.

The Band gave several concerts at the Hippodrome Theater, and played for our home football and basketball games, and also at assemblies.

The Senior High Orchestra, under the direction of Mr. Siegler, and the Junior High Orchestra under the direction of Mr. Cooper, have played for assemblies, and special orchestras from these organizations furnished music for the minstrel, "Adam and Eva," and the operetta, "The Belle of Bagdad."

The Glee Club under the direction of Miss Morgan presented the operetta, "The Belle of Bagdad," on May 6, and by popular request repeated it May 13. The Glee Club furnished music for Commencement and also for the Ohio State Teacher's Association held in Marietta last fall. Together with the Senior High Orchestra it presented a concert at the Hippodrome.

Marietta High is indeed to be congratulated on her musical organizations.

Coaches

SUTTON

Coaches

Coach F. R. Sutton again adds a successful season to his coaching career. This year, even more than before, Coach has shown himself a wizard at handling boys and getting results with them. Although the material for this year was rather scarce he whipped it into a very good team which Marietta will be proud of in the years which are to follow. Sutton has always stood for what is right in every way and has shown himself one of the most valuable coaches that have ever trained Marietta teams. Sutton coached both Football and Basketball.

The men pictured below deserve a lot of credit also for the teams which Marietta has trained this year.

Mr. Mullenix is the Faculty Manager and schedules all the games which the high school team plays. A large amount of work is attached to this end of the job, but "Fred" has given his time and experience in every way possible to help put M. H. S. Athletics on its feet again.

Mr. Murray was an able assistant to Coach Sutton during the football season. Mr. Murray had charge of the Reserve team which played a regular schedule of its own with many victories to its credit. This is the team on which future varsity men are trained. Murray coached a Reserve team in basketball with good results.

Mr. Callahan proved himself again this year as a good coach for reserve teams. Everyone likes Mr. Callahan and will work for him. As a coach, he has produced winning teams for Marietta each year. This is his second year at Marietta and both years his teams have ended the season with numerous points in their favor.

Cheerleaders and Managers

Our cheering was lead by three "pep" boys. Due to their efforts and thoughts they put the fight and spirit of the whole High School behind the teams. Part of our victories were doubtless due to the vivacious spirit and leadership which these boys displayed. All three of these fellows are Seniors and will be lost to the cheering staff for next year.

GEORGE HESS

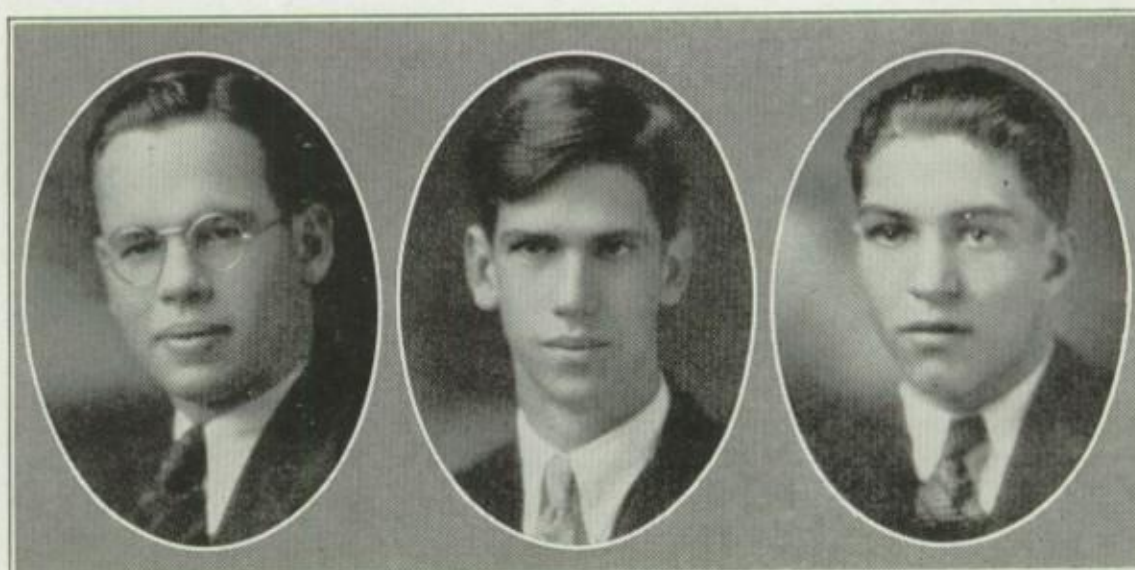

George has a record of being the best student manager the high school has had in any sport for several years. He is a rather quiet fellow but has proved his sterling worth as football manager. Never was he late, and when there was anything for him to do he did it. George deserves a lot of credit for the fine work and the great amount of time which he has put into his manager's job. Good managing seems to be a weakness with Hess for during the track season he again proved to be one of the best managers Marietta High has known.

FRED HUTCHISON

Fred was the varsity manager in basketball. Although he was unable to attend many practices or games he held down the position the whole year.

BERNARD CASTO

About mid-season Fred Fisher moved out of town and Casto took his place as student manager of the Little Reserves. For the remainder of the season Casto was a very efficient manager.

CHARLES GREEN

GREEN

Green was the other part of the line when, in the beginning of the season, he played tackle. When he went to the backfield he certainly exhibited the real tackling, punting, and running ability that was in him. "Tuffy" is lost this year. He was Co-captain with "Hank" Wooley.

HOMER WOOLEY

WOOLEY

"Hank" was an end who was really good and knew it, but was shy and modest. He played good ball all year and certainly distinguished himself as an end for M. H. S. This was "Hank's" last year as a "Tiger."

BERNARD CASTO

CASTO

Our hard-hitting and hard-fighting tackle this year was Casto. No matter how much his opponents tried to hurt him, they couldn't do it. He missed only a very few minutes all year, one quarter to be exact, and that was due to an eye injury. "Buckshot" graduates and will leave big shoes for some one to fill.

SHEPPARD

"Kennie" played a very good game all season. He came into his own and got down under punts and stopped end runs beautifully. This is "Kennie's" last year on the varsity and he has filled his position well. A coach couldn't want more of an end.

KENNETH SHEPPARD

GEORGE MIRABEN

MIRABEN

Half-back "German" was a load off the opponents' minds when he was taken out. It was seldom he was "jerked" and as a ground-gainer and good tackler, he rates high. "German" showed the right spirit all season and proved himself an exceptionally fine football man. "German" will also be back to fill out the lineup for next year.

CURTIS

Only a half-back, but what a sport! "Bus" is one of the finest types of sportsman Marietta has ever known. Not only that, but he can well play the game as he has shown by his playing, and consistent yard-gaining. "Bus" is very quick as he turns and twists so that it is almost impossible to tackle him. Curtis will be back next year and will be a big factor in holding our team up to the standard next year.

WALTER CURTIS

JOHN McCOY

McCOY

At center was a man who knew why he was there. He knew to play ball was the reason for the game. "Nellie" added spice by his fight and spirit and added strength to the "Tiger" machine by his true passes and excellent work at backing up the line. McCoy will leave us this year.

GERBER

"Bob" has been out for football every year since he has been in high school. This year he climaxed his high school career by winning a letter. "Bob" has stuck to it and finally won his reward. He played at guard and was willing to do his best for the school. Gerber is a mighty good guard and his spirit will be missed next year.

ROBERT GERBER

HUTCHISON

"Hutch," although hindered by bruises and many handicaps, put all he had into the game this year. He held down his varsity post and proved himself good at stopping center plays and getting through and breaking up plays. "Hutch" did his part well in taking his man out of the play. "Hutch" is a Senior this year.

FRED HUTCHISON

HICKLE

"Ned" has won a berth not only as a permanent member on the varsity, but also in the heart of the whole school. Although he was the smallest man on the team, he was our best quarter-back and played consistently good football all season. We think he is going to be one of the best quarter-backs in the state of Ohio next year and big things are expected of him.

NED HICKEL

BRITTON

"Rabbi" played "half" most of the time and exchanged the position with Miraben. Britton was good at tackling, and carrying the ball. When he got loose he was hard to catch and he had a knack of worming himself through tight places. "Rabbi" is a Junior, so has another year in which to improve, but even now he is an asset to any team.

MARTIN BRITTON

GOLDMAN

"Gus" was knocked out at the beginning of the year with an accident. During the whole season he was handicapped by his injured foot. Goldman held down the center berth when McCoy wasn't busy, and showed himself an accurate passer and an excellent man to back up the line. "Gus" is a Senior this year.

SEYMOUR GOLDMAN

DAVIS

"Charley" played an end usually and although light, he put all he had into the games. He had a lot of spirit and a team must have spirit to work well together. Davis added not only his spirit but himself and played good ball all season. Probably "Charley" will get a regular position next year.

CHARLES DAVIS

STEGNER

One of these people who attain instant distinction is "Pete." When he started playing real football, the coach saw the player in him and placed him in a varsity berth as guard. "Pete" could knife through and get tackles between the best and proved it by his excellent work in the games he played. "Pete" will be back next year to help the line.

CALDWELL—20-7

This basketball season was started by a big victory over Caldwell. This game was played in our gym and was witnessed by a large number of students. In this game Immel was high-scorer. Although he is only a Freshman he showed that he possessed the stuff from which varsity men are made. The rest of the team played well and displayed a defense which Caldwell couldn't pierce.

ALUMNI—29-11

On the following Saturday the varsity won another victory—this time over the Alumni. This year the Alumni were talked up and were expected to win by many points, but when the Tigers came on the floor the Alumni melted before their onslaught. "Bus" Curtis played one of his best games. He was high-scorer with four baskets.

DOVER—29-13

To continue our winning streak Coach Sutton picked the Dover team to go down before the varsity. In this game the team ran wild over their opponents. Both Icenogle and Britton broke loose and Britton made eight points while "Ike" rolled up nine. This was the last of the series of games which were played at home in the beginning of the season.

PORTSMOUTH—10-22

On the first trip we lost our first game. After a winning streak for three games the team felt a little over-confident and a little tired after traveling to Portsmouth. Icenogle again received the honor of being high-scorer with six points.

ST. CLAIRSVILLE—33-12

After its defeat in Portsmouth, the team redeemed itself by beating St. Clairsville on a strange floor and coming out with a large margin of safety. Twelve points gave Icenogle the honor of high-scorer again, but he received eight of these points on fouls. Britton, Sheppard, and Curtis also dropped in several baskets apiece.

Although Miraben didn't make any baskets he played one of the finest guarding games he had played to this point in the season.

ZANESVILLE—15-21

Our old Jinx hit us again this year. It seems Zanesville teams always have us scared or something for they always manage to win basketball games. This game was played at Zanesville and was attended by a large group of Zanesville rooters. Our fellows played their best, but could not catch up with Zanesville. "Ike" again was high-scorer with ten out of fifteen points.

MARTIN'S FERRY—20-10

On January 23, the Tigers journeyed to Martins Ferry. Marietta rallied from their defeat at the hands of Zanesville in this game and took Martins Ferry over. Although the boys were playing on a strange floor, they located the basket and seemed to hit it regularly. "Ike" helped a great deal in the game totaling twelve points of our twenty. "Bus" played his usual excellent game.

ATHENS—30-10; 25-23

This year we continued our custom of playing Athens twice. The first game was played at home. The Athenians came to witness it in a large body and lots of school spirit was displayed. At the end of the first quarter the score was five to four in our favor. First we would get a basket then they would score until at the half the score was nine to eight in our favor. In the third quarter the Tigers had a rally and left the Bulldogs in their dust.

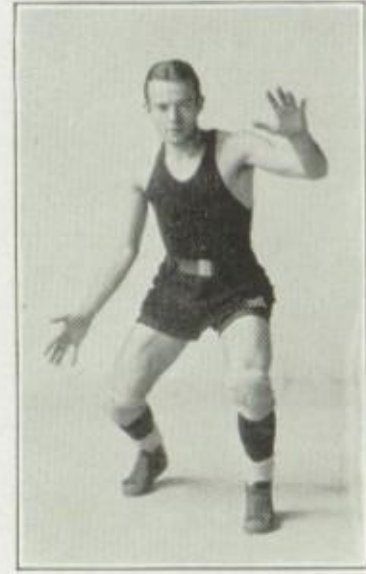

The second game was played at Athens. We again proved the superiority of the Tigers. At the first half it looked as though we might come out on the little end of the deal for the score stood against us twelve to five. But the team aroused the old fighting spirit which had led them to victory before and vanquished the Bull-dogs by two points at the time the gun was shot.

PARKERSBURG—16-15; 16-26

This was the high point in our season, the point to which we had been aiming since the beginning of the season. Everyone played his best ball. The stands were packed and everyone was on his toes to the last minute. Britton was the hero of this struggle, because it was he who dropped the winning basket just before the gun shot.

The other Parkersburg game wasn't so exciting. It was played at Parkersburg, and we were beaten 26 to 16. Dye, Bower, and Britton tied for leading man in scoring with four points each.

CAMBRIDGE—12-16

The next game was played in Marietta against Cambridge. This year Cambridge had a fine team and took us over 16 to 12. Icenogle was high-scorer with six of the twelve points to his credit. The game was a fast one and both teams played very well.

IRONTON—29-20

The following week-end saw the Tigers beat the basketeers from Ironton. This was the last game for Icenogle and Sheppard. Both these men did themselves proud in their last game for Marietta High. Both played as though they realized it was their last and wanted to do their best for her before they left. "Ike" closed his high school career with a fine playing game and made sixteen of our twenty-nine points. Sheppard, playing guard, got three fouls and made them. The team worked well together and everyone was sorry this was their last game.

MIDDLETOWN—13-19

We started a two-day trip by a defeat at the hands of Middletown. "Bus" was Captain in this game and played well. Britton was high-scorer with six points. This was the first game that "Ike" and "Kenny" were ineligible and the team suffered their loss.

HAMILTON—10-20

The next evening the Tigers suffered another defeat in Hamilton. With "Ike" and "Kenny" gone it seemed the team had lost its spirit and fight. Curtis and Miraben tied for high-score with three points apiece. All ten of the men got in this game.

CAMBRIDGE—17-19

After two straight defeats the team came home to take another one. Cambridge came to Marietta with blood in their eyes. Britton was the outstanding scorer for Marietta in this game with eight points to his credit.

TOURNAMENT

BELLAIRE—40-22

The first game of the sectional tournament we played against Bellaire. Everyone was playing his position well and we trimmed them 40-22. "Bus" Curtis was high-scorer with eleven points. A good crowd attended this game.

TORONTO—17-14

The second game was against Toronto. They also went down before the Orange and Black onslaught and the Tigers, after a hard fought game, left the floor with the score-board reading in their favor, 17-14. Britton was our high-scorer with seven points.

ZANESVILLE—20-29

Zanesville, as it always has been, was our Jinx. We played them in the next round of the tournament, and were eliminated. The team played with all the ability and spirit which they possessed, but to no avail. Zanesville ran over them to the tune of 29-20. All the boys played their best in this, the last game of the season.

Reserve Teams

The Reserves have finished the football and basketball seasons with another successful season behind them. The Football Reserves although dropping most of their games, played good ball all season. This was the first year that the Reserves have had a definite schedule of their own. Many of the regulars of the Reserves were lost during the year by being moved up to the Varsity which handicapped the Reserve teams.

The Basketball Reserves were the bright spot in these teams this year. They have played a regular schedule and have won a large majority of their games. Although they have played bigger teams than usual and more games, they came through with flying colors.
